Price & Units Information

Unit Price	19.22
Price Change (vs. last quarter)	2.01%
Total Fund Units	2,911,479.77
Total Net Assets	55,969,347.43
P/E Ratio	--

Fund Ownership Investments

Full Ownership	100.00%
Usufruct Right	--

Cumulative Returns (%)

	3 Months	YTD	1 Year	3 Years	5 Years
Fund	2.01	2.60	5.79	17.93	19.61
Benchmark	2.15	2.93	6.14	20.90	23.77
Difference (Excess)	-0.14	-0.33	-0.35	-2.97	-4.16

Performance & Risk Measures

Measure	3 Months	YTD	1 Year	3 Years	5 Years
1. Standard Deviation	0.29%	0.51%	1.36%	1.47%	1.80%
2. Sharpe Ratio	3.74	1.43	1.27	0.54	-0.02
3. Tracking Error	0.35%	0.25%	0.65%	0.48%	0.61%
4. Beta	0.36	0.90	0.90	0.93	0.86
5. Alpha	0.41%	0.00%	0.27%	-0.42%	-0.07%
6. Information Ratio	-0.42	-0.72	-0.52	-1.82	-1.15

Note: Formula for each measure is provided below.

Fund Performance vs. Benchmark

Formula of each measure:

(1) $s = \sqrt{\frac{n \sum_{i=1}^n r_i^2 - (\sum_{i=1}^n r_i)^2}{n^2 - n}}$ (2) $SR = \frac{r_p - r_f}{\sigma_p}$ (3) $\sigma = \sqrt{\frac{n \sum_{i=1}^n r_i^2 - (\sum_{i=1}^n r_i)^2}{n^2 - n}}$ (4) $\beta = \frac{Cov(r_p, r_b)}{Var(r_b)}$ (5) $\alpha_i = r_i - [r_f + \beta * (r_b - r_f)]$ (6) $IR = \frac{E(r_p - r_b)}{\sigma_{excess}}$

n : number of return periods in sample | r_i : return for a specific period | r_p (r_b): average annual portfolio (benchmark) return | r_f : average annual risk-free rate | σ : annualized standard deviation | σ_{excess} : annualized standard deviation of the portfolio's excess return | β : portfolio's beta relative to the market.

Disclaimer	Contact Details
Past performance is neither an indication nor a guarantee of future returns. The value of units and income from them can go up or down. Investors may receive less than what they have originally invested. Additionally, fees charged on funds and currency exchange rates may have additional adverse effects. Investors should consider their individual and financial situation prior to entering into a specific product / fund and should seek advice from investment and legal professionals. Detailed and specific conformation related to the product is provided in the terms and conditions, applicable to the fund which should be read and understood prior to entering into it.
