Past performance is neither an indication nor a guarantee of future returns. The value of units and income from them can go up or down, investors may receive less than what they have originally invested. Additionally, fees charged on funds and currency exchange rates may have additional adverse effects. Investors should consider their individual. and financail situation prior to entering into a specific product/fund and should seek advice from investment and legal professionals. Detailed and specific conformation related to the product is provided in the terms and conditions, applicable to the fund which should be read and understood prior to entering into it.
