Basket orders

Basket orders are pre-entered orders, where they are ready and in a state of waiting, and in the event that the customer decides to send them to the market, this feature will allow him to send all orders at once, through the function of selecting all and sending.

Collective cancellation of orders:

The collective cancellation of orders feature saves a lot of time and effort to cancel the outstanding orders.

The screenshot displays the EXTRA trading platform interface. The top menu bar includes options like Trade, Operations, Show Complaints, Order List, PF List, Buy Sell, Buy Power, Reset, and Close. A left sidebar contains navigation links such as Set Defaults, Enable/Disable Interactive Orders, View Stock Transactions, Rapid Bulk Trade, Show Basket, Interactive Orders, Subscriptions, Notify Registration, Trade Notifications, Bulk Cancel, Sub-User Maintenance, Link Portfolio, Link Account, and Tradable Rights Subscription List. The main area shows a table with columns for Name, Side, Order Type, TIF Type, Order Status, Order Qty, Order Price, Fill Qty, Fill%, Pending Qty, and Amount. Below this, there's a 'Buying Power Details' table with columns for Account, Currency, Buying Power, Acct.Balance, and Hold.
