REVIEW REPORT ON INTERIM FINANCIAL INFORMATION

To the Unitholders
Riyad Saudi Equity Sharia Fund
(Open-Ended Mutual Fund)
Riyadh, Kingdom of Saudi Arabia

Introduction

We have reviewed the accompanying interim condensed statement of financial position of **Riyad Saudi Equity Sharia Fund** ("the Fund"), managed by Riyad Capital Company ("the Fund Manager"), as at 30 June 2026, and the related interim condensed statements of comprehensive income, changes in net assets attributable to the Unitholders and cash flows for the six-month period then ended, and the explanatory notes ("the interim financial information"). The Fund Manager is responsible for the preparation and presentation of this interim financial information in accordance with International Accounting Standard 34 – Interim Financial Reporting ("IAS 34") that is endorsed in the Kingdom of Saudi Arabia. Our responsibility is to express a conclusion on this interim financial information based on our review.

Scope of Review

We conducted our review in accordance with International Standard on Review Engagements 2410 – *"Review of Interim Financial Information Performed by the Independent Auditor of the Entity"* that is endorsed in the Kingdom of Saudi Arabia. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing endorsed in the Kingdom of Saudi Arabia and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the accompanying interim financial information is not prepared, in all material respects, in accordance with IAS 34 that is endorsed in the Kingdom of Saudi Arabia.

**NOTES TO THE INTERIM FINANCIAL INFORMATION (UNAUDITED)
FOR THE SIX-MONTHS PERIOD ENDED 30 JUNE 2026
(ALL AMOUNTS IN ﷲ UNLESS OTHERWISE STATED)**

1. FUND AND ITS ACTIVITIES

Riyad Saudi Equity Sharia Fund (the "Fund") is equity fund managed through an agreement between Riyad Capital (the "Fund Manager") and the Fund's investors (the "Unitholders"). The objective of the Fund is to provide capital growth by investing in Saudi Stock Companies, within the criteria set by the Sharia committee.

In dealing with the Unitholders, the Fund Manager considers the Fund as an independent accounting unit. Accordingly, the Fund Manager prepares separate financial statements for the Fund.

The management of the Fund is the responsibility of the Fund Manager. However, in accordance with the Fund's Agreement, the Fund Manager can delegate or assign its duties to one or more of the financial institutions in the Kingdom of Saudi Arabia and overseas.

The Fund commenced its activities on 21 November 1996, where the terms and conditions of the Fund were originally approved by the Saudi Central Bank (SAMA). On 20 December 2008, the terms and conditions of the Fund were approved by the Capital Markets Authority (CMA).

The Fund Manager has appointed HSBC Saudi Arabia (the "Custodian") to act as the Fund's custodian. The fees of the Custodian are paid by the Fund.

2. REGULATING AUTHORITY

The Fund is governed by the Investment Funds Regulations (the "Regulations") issued by the Board of CMA on 3 Dhul Hijjah 1427H (corresponding to 24 December 2006) and amended by the resolution of the Board of the CMA dated 3 Jumada Al-Thani 1447H (corresponding to 24 November 2025) detailing the requirements of all funds within the Kingdom of Saudi Arabia.

3. BASIS OF PREPARATION

3.1 Statement of compliance

This interim financial information of the Fund has been prepared in accordance with International Accounting Standard 34 – Interim Financial Reporting ("IAS 34") that is endorsed in the Kingdom of Saudi Arabia and other standards and pronouncements issued by the Saudi Organization for Chartered and Professional Accountants ("SOCPA") and to comply with the applicable provisions of the Regulations and the Fund's Terms and Conditions.

This interim financial information does not include all information and disclosures required for a complete set of financial statements and should be read in conjunction with the annual audited financial statements of the Fund as at and for the year ended 31 December 2025. The results for the six-months period ended 30 June 2026 are not necessarily an indicative of the results that may be expected for the financial year ending 31 December 2026.

3.2 Basis of measurement

This interim financial information has been prepared under the historical cost convention, using the accrual basis of accounting, except for investments at fair value through profit or loss which are carried at their fair value.

The Fund presents its interim condensed statement of financial position in the order of liquidity. All balances are classified as current. The Fund can recover or settle all its assets and liabilities within 12 months from the reporting date.

FOR THE SIX-MONTHS PERIOD ENDED 30 JUNE 2026
(ALL AMOUNTS IN ﷲ UNLESS OTHERWISE STATED)

3. BASIS OF PREPARATION (CONTINUED)

3.3 Functional and Presentation Currency

Items included in the interim financial information are measured using the currency of the primary economic environment in which the Fund operates. This interim financial information is presented in Saudi Arabian Riyal ("ﷲ") which is the Fund's functional and presentation currency.

3.4 Critical accounting judgments, estimates and assumption

The preparation of the interim financial information requires management to make judgments, estimates and assumptions that affect the reported amounts of assets, liabilities, income and expenses. Actual results may differ from these estimates. The basis and the methods used for critical accounting judgements, estimates and assumptions adopted are consistent with those used in the preparation of the annual audited financial statements of the Fund for the year ended 31 December 2025.

3.5 Going concern

The Fund Manager has made an assessment of the Fund's ability to continue as a going concern and is satisfied that the Fund has the resources to continue in business for the foreseeable future. Furthermore, the Fund Manager is not aware of any material uncertainties that may cast significant doubt on the Fund's ability to continue as a going concern.

4. MATERIAL ACCOUNTING POLICY INFORMATION

The accounting policies used in the preparation of this interim financial information are consistent with those used and disclosed in the annual audited financial statements of the Fund for the year ended 31 December 2025. Certain new standards, amendments and interpretations apply for the first time in 2026, but do not have an impact on the interim financial information of the Fund.

There are other several amendments and interpretations that are issued, but not yet effective, up to the date of issuance of the Fund's interim financial information. In the opinion of the Fund's Manager, these will have no significant impact on the interim financial information of the Fund, except for IFRS 18 - Presentation and Disclosures in Financial Statements. The Fund intends to adopt those amendments and interpretations when they become applicable.

5. IMPACT OF NEW STANDARDS, INTERPRETATIONS AND AMENDMENTS

The following new and revised standards, which became effective for annual periods beginning on or after 1 January 2026, have been adopted in this interim financial information. Their adoption did not have any material impact on the disclosures or on the amounts reported in this interim financial information.

5. IMPACT OF NEW STANDARDS, INTERPRETATIONS AND AMENDMENTS (CONTINUED)

Standards issued but not yet effective and not early adopted by the Fund (Continued)

	Effective for annual periods beginning on or after
<u>New and revised IFRS Accounting Standards</u>	
Amendments to IFRS 19 <i>Subsidiaries without Public Accountability: Disclosures</i> The amendments cover new or amended IFRS Accounting Standards issued between 28 February 2021 and 1 May 2024 that were not considered when IFRS 19 was first issued.	1 January 2027
Amendments to IAS 21 <i>The Effects of Changes in Foreign Exchange Rates</i> relating to Translation to a Hyperinflationary Presentation Currency The amendments clarify how companies should translate financial statements from a non-hyperinflationary currency into a hyperinflationary one.	1 January 2027
Amendments to IAS 28 <i>Investments in Associates and Joint Ventures</i> relating to the Fair Value Option for Investments in Associates and Joint Ventures The amendments provide clarity about which entities are eligible to measure investments using the fair value option in IAS 28	1 January 2027
IFRS 20 <i>Regulatory Assets and Regulatory Liabilities</i> IFRS 20 requires an entity that is subject to a regulatory agreement to provide information about its regulatory assets, regulatory liabilities, regulatory income and regulatory expense.	1 January 2029

The Fund Manager anticipates that these new standards, interpretations and amendments will be adopted in the Fund's financial statements as and when they are applicable and adoption of these new standards, interpretations and amendments may have no material impact on the financial statements of the Fund in the period of initial application, except for IFRS 18 – Presentation and Disclosures in Financial Statements, where the impact is expected to be as follows:

IFRS 18 '*Presentation and Disclosure in Financial Statements*', as endorsed in Kingdom of Saudi Arabia (IFRS 18) will replace IAS 1 '*Presentation of Financial Statements*' as endorsed in the Kingdom of Saudi Arabia, for annual reporting periods beginning on or after 1 January 2027. Earlier application is permitted. The Fund Manager has not early adopted IFRS 18 in preparing this interim financial information.

The Fund Manager is currently assessing the estimated impact that the initial application of IFRS 18 will have on the Fund's financial statements. Based on the assessment performed to date, the expected impacts pertain to the presentation, aggregation, disaggregation and disclosure of information within the Fund's financial statements.

Presentation of Statement of Comprehensive Income

IFRS 18 requires entities to classify income and expenses into specified categories within the statement of income, namely operating, investing, financing, income taxes and discontinued operations. It also introduces mandatory subtotal including *Operating Profit* and *Profit for the year*.

Neither total profit for the period nor total equity is expected to change as a result of adopting IFRS 18. However, the Fund Manager expects changes to the presentation and classification of certain income and expense items within the statement of comprehensive income, including the introduction of IFRS-defined subtotals

5. IMPACT OF NEW STANDARDS, INTERPRETATIONS AND AMENDMENTS (CONTINUED)

Standards issued but not yet effective and not early adopted by the Fund (Continued)

Presentation of Statement of Comprehensive Income (Continued)

Based on its preliminary assessment, the Fund Manager has concluded that investing in financial assets as part of the Fund's objectives constitutes specified main business activities for the purposes of IFRS 18. Based on this, the Fund Manager expects the following impact on the interim financial information:

- Income / expenses and changes in fair value arising from investing in financial assets are expected to be presented within the operating category.

In addition, IFRS 18 may require changes to certain line-item descriptions, subtotals and disclosures currently presented in the statement of comprehensive income. The assessment remains subject to completion of the Fund Manager's implementation activities and any future interpretative or regulatory developments.

Management-defined Performance Measures

IFRS 18 introduces new disclosure requirements for Management-defined Performance Measures ("MPMs"), which are subtotals of income and expenses used in public communications to communicate Fund Manager's view of an aspect of the Fund's financial performance. Such measures will be required to be disclosed within a single note to the financial statements together with explanations of their purpose and reconciliations to the most directly comparable IFRS-defined totals or subtotals.

The Fund Manager is assessing whether measures communicated externally that meet the definition of Management-defined Performance Measures under IFRS 18 and may therefore require enhanced disclosures and reconciliations.

Principles of Aggregation and Disaggregation

IFRS 18 introduces enhanced requirements relating to the aggregation and disaggregation of information throughout the financial statements and accompanying notes. These requirements are intended to improve transparency by ensuring that material information is presented separately and dissimilar items are not obscured through aggregation. The Fund Manager is currently assessing whether additional disaggregation may be required for its assets, liabilities, income and expenses. The Fund Manager also expects certain line-item descriptions currently used within the financial statements to be refined to enhance clarity and consistency with the objectives of IFRS 18.

Consequential Amendments

IFRS 18 introduces consequential amendments to other IFRS, including IAS 7 *Statement of Cash Flows*, IAS 33 *Earnings per Share* and IAS 34 *Interim Financial Reporting*. The Fund Manager is currently assessing the impact of these amendments, including potential changes to the presentation of operating cash flows and the classification of interest, dividends and other cash flow items. The Fund Manager is also evaluating requirements relating to comparative information and retrospective application upon adoption of IFRS 18. The Fund Manager's assessment remains ongoing and further refinements to the expected impact may arise as implementation activities progress, industry practice evolves and additional guidance from regulators and standard setters become available.

13. FAIR VALUE ESTIMATION

The fair value for financial instruments traded in active markets is based on quoted market prices at the close of trading on the financial reporting date. Instruments for which no sales were reported on the valuation day are valued at the most recent bid price.

An active market is a market in which transactions for the asset or liability take place with sufficient frequency and volume to provide pricing information on an ongoing basis. The carrying value less impairment provision of financial instruments at amortized cost are assumed to approximate their fair values.

13. FAIR VALUE ESTIMATION (CONTINUED)

The fair value hierarchy has the following levels:

- Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the entity can access at the measurement date.
- Level 2 inputs are inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly: and
- Level 3 inputs are unobservable inputs for the asset or liability.

The fair value of investments at FVPL are based on quoted prices in active markets and are therefore classified within Level 1.

All financial liabilities as at 30 June 2026 (Unaudited) and 31 December 2025 (Audited) were classified as financial liabilities measured at amortized cost. The table does not include fair value information for financial liabilities not measured at fair value if the carrying amount is a reasonable approximation of fair value. The following table analyses within the fair value hierarchy the Fund's assets and liabilities (by class) measured at fair value as at 30 June 2026 (Unaudited) and 31 December 2025 (Audited).
